

Rates and Insurance:

Downtown Counseling Center charges standard hourly fees for services. The fee for a session of psychotherapy is payable at the time of service unless your insurance company has a contract with Downtown Counseling Center. Most health insurance plans cover all or part of the cost of psychotherapy provided by licensed clinicians.

Our fees can be adjusted based on the income of the family and with supporting documentation. Please talk to your therapist about whether you qualify for reduced fees.

Fee Schedule:

Rates billed to insurance companies:

Initial Evaluation (~60 min)	\$240.00
53-60 min Psychotherapy Session:	\$235.00
